CIRCULAR

13-12-2021

Dear Parents,

Greetings of the festive season!

The year 2021 draws to a close and together with it ends the second term of the academic year 2021-22.

The winter vacation will commence on Thursday 16th December, 2021. School re-opens on Monday 3rd January, 2022. We understand that there are many families travelling during the winter holidays, hence in order to maintain a safe environment classes will be online only for a brief period till 11th January, 2022. We will then resume hybrid classes and those students who have opted for in-person classes may return to school from Wednesday 12th January, 2022. Please ensure that all students who have travelled have completed the mandatory PCR tests. You may e-mail the negative PCR test report to the class teacher before attending in-person classes.

The 4th Periodical Test will be held in the month of January from 5th January, 2022 to 11th January, 2022 for Kindergarten to Grade 8. The 3rd Periodical Test for Grades 9 to 12 will be held from 6th January 2022 to 11th January 2022. The pandemic period of the past two years has proved to be a very difficult period where the education of children is concerned. The management and staff have tried their best to monitor and conduct education effectively and succeeded to a great extent. Very often we have observed that students fail to keep their cameras switched on. This makes us doubt the attendance of students behind the screen. Only the parents can help us in this matter. Please ensure that your child is attending the class with the camera switched on.

In spite of obstacles, school has been as active as ever and various activities, competitions and celebrations continue to function, though most of them are virtual. One such event that is coming up is Medathlon organised by American Mission Hospital for senior students. The Grade 12 farewell and Talent Fest are other events to follow. We seek the whole-hearted co-operation of parents to urge the participation of their children. It is only through participation that students can develop their all-round personality. Education is a success with the involvement of the head, heart and hands. Academics, cultural activities along with sports lead to a successful education.

The Kingdom of Bahrain commemorates its 50th National Day on the 16th of December, 2021. We take this opportunity to wish each citizen and resident of this beautiful island a Happy National Day on this jubilant occasion. The school will celebrate National Day on 15th December, 2021 and all students are requested to be attired in the Bahrain national colours of red and white.

The school office counter will be open on 28th, 29th and 30th December 2021 from 8 am to 1 pm. Parents are requested to clear their pending fee dues at the school office on these days or via the NEC app or branch.

The Management and staff would also like to wish you all a Merry Christmas, happy holidays and a safe, joyful and prosperous New Year!

Principal
