CIRCULAR

28-02-2022

Dear Parents,

As mentioned in a circular to parents in 2019, the school had decided to apply for an increase in fees. However, due to the onset of the pandemic, the matter did not proceed further.

Our budget review has indicated that due to the high operational costs incurred, an increase in fees is mandatory. Therefore, while we have always been careful to add any unnecessary financial burden on the parents, we are compelled to apply to the Ministry of Education for an increase of 20% in school fees for LKG to Grade 10. There will be no increase in fees for Grades 11 and 12. Pending approval, we plan to introduce the change in the school fee structure from the next academic year.

We request your understanding and co-operation in this matter.

We wish the very best to all the students appearing for the Annual Examinations.

Principal
