Dear Parent,

The Asian School has been selected as a Centre for the Grade 10 and 12 CBSE Board Examinations 2021-22.

This necessitates changes in the regular conduct of the teaching-learning program of the school during the months of April, May and June.

During the period of the Examination, certain sections of the school will switch to complete online mode of learning in turns. Adjustments may also be made to the time-table.

We have tried our best to minimize any changes to the normal functioning of the school. However, any inconvenience caused is unavoidable under the present circumstances.

Please join us in wishing all our students and all of the other students who are appearing for their board examinations the very best and we request your unstinted cooperation and support during this time.
